Empathy Map

Date	20 October 2026
Team ID	Individual project (no team)
Project Name	Personalized Travel Itinerary Planner
Maximum Marks	4 Marks

Empathy map for the primary user of the Personalized Travel Itinerary Planner.

SAYS - "I only have a weekend, where do I even start?" - "Is this place worth the money?" - "Can someone just give me a plan?"	**THINKS** - "I will miss the best places if I plan badly." - "Too many tabs and reviews, which one is right?" - "Will this fit my budget and my pace?"
PERSONA: Riya, first-time solo traveller (college student / young professional, 20-28 years, budget-conscious, uses a phone and laptop)	
DOES - Searches blogs, maps and reviews separately - Copies places into notes and spreadsheets - Asks friends for tips and compares prices	**FEELS** - Overwhelmed by choices - Anxious about wasting time and money - Excited but unsure about the plan
